

Women-Aikido-Summercamp 2019 in Manas, South France

with Juta and Silva 21.- 28.7.2019

Juta Looser-Bernard (4. Dan) was born in Switzerland and has been living in Manas for many years where she has her own dojo. She's well known to those women who took part in the first Women Aikido Camps and we're happy to have her as a trainer once again.

Silva Tschärner (5. Dan) was also born in Switzerland and has been living in France for many years where she is teaching Aikido in her open air dojo. She taught the Women Aikido Camp 2017 instead of Juta, who had been injured. And now we'll have them both in one workshop!

Two Dojos, Juta's indoor dojo with 120 square meters and an open air dojo with 77 square meters - many possibilities to practice and enough space for 24 women.

Training schedule

8.15 - 8.45 Meditation

9.00 - 11.45 Aikido, partly in two groups

11.45 - 12.15 coffee/tea break

12.15 - 13.00 Bokken and Jo

13.10 - 13.40 Aiki-Taiso (Centering, grounding, relaxation, breathing)

Afternoons are free, because it's usually very hot in South France during summer time. The surroundings are beautiful and one is free to go exploring. There's also a river nearby to go swimming. Or one can swim in the swimming pool of one of our lodges. Or just relax...

Dates

Sunday 21.7. to get to Manas/ 6 days of practice / sunday 28.7. to get back home

Accommodation

There are three accommodation facilities within a 10 minute walk from the dojo with double and shared rooms and enough space to host everybody:

„Les Micocouliers“, a rather high end accommodation with kitchen, swimming pool, hammocks and a beautiful view overlooking Manas.

„Le Clos du Moulin Neuf“, an old mansion surrounded by a park, also with a swimming pool open for all Aikido women and a beautiful view. There's also a big dining room where we will have lunch and diner together.

„La Berthouine“ an old, beautiful renovated house in the middle of Manas, also with a kitchen.

One can also pitch a tent in the garden of the dojo or sleep on the tatami inside the dojo.

If you want you can also look for a space on your own in one of the surrounding villages.

For sure, everyone will find something according to her needs of intimacy, standard and budget.

We'll have breakfast individually, in the different houses - basic ingredients will be provided. Lunch and diner will be prepared by our local cook, Hildegard - she will cook organic, regional and vegetarian for all women and we will eat together in the dining room of „Le Clos du Moulin Neuf“.
